Giving the Gift of Life

Garfield Hospital Blood Drive

Garfield Hospital and AHMC Health Foundation partnered with American Red Cross recently to host their third public blood drive of the year. More than 130 donors ranging from 18 to 90 years participated. The Blood Drive was supported by several community organizations including the Monterey Park Rotary Park, Lions Club, St. Stephen Martyr School and several local restaurants and grocery stores.

Garfield Hospital is planning its next Blood Drive on June 10, 2014. For information contact Claudia Soria at (626) 312-2366.
